

CUSTOMER POLICY

Steelmet Industries will follow customer-focused approach at all times with and remain transparent.

Steelmet Industries will strive to meet more than the customer needs and expectations pertaining to products, quality, value for money, timely deliveries and satisfaction.

Steelmet Industries greatly values its relationship with its customers and would make efforts at strengthening these relations for mutual benefit.

Steelmet Industries always believes that the customer comes first and as a byproduct of the customer earning, profits are automatically achieved.

Steelmet Industries will do that extra bit and will always work towards building long-term relationships with customers.
